APPROACH THROUGH SUPPORT FIRM

The approach to successfully resolving stressed assets is based on leveraging extensive experience and collaborating with a team of professionals who have managed companies at the operational level. This structured methodology ensures a comprehensive and strategic resolution process, which includes:

Key Steps in the Resolution Process:

- Thorough Assessment of Bidders – Conducting a detailed evaluation of each bidder's background and financial capability.
- Analysis of Resolution Plans – Reviewing and analyzing different resolution proposals submitted by applicants.
- Ranking & Evaluation – Scoring and ranking resolution plans based on predefined evaluation criteria and the scoring matrix approved by the Resolution Professional (RP) and the Committee of Creditors (CoC).
- Facilitating CoC Interactions – Assisting the CoC in discussions, negotiations, and due diligence with resolution applicants.
- Negotiation for Stakeholders' Benefit – Ensuring favorable terms in the resolution plan to maximize benefits for stakeholders and bankers.
- Implementation Strategy – Assisting in the execution of the approved resolution plan to ensure seamless implementation.

Results & Outcomes:

- Optimized Resolution Plan – A structured and well-negotiated resolution strategy.
- Maximized Recovery for Creditors – Ensuring higher financial recovery for lenders and stakeholders.
- Clear Implementation Roadmap – Providing visibility and assurance in the successful execution of the resolution plan.

By following this approach, stressed asset resolution is executed efficiently, ensuring a favorable outcome for all stakeholders involved.

TURNAROUND & RESOLUTION MANAGEMENT TEAM

- **IT Professionals: 1**

This strategic deployment ensures comprehensive expertise across finance, legal, industry-specific insights, and operational support, facilitating a seamless and effective resolution process

INTERIM MANAGEMENT SERVICES

A structured Interim Management approach is essential for ensuring a smooth and efficient Corporate Insolvency Resolution Process (CIRP). The key services offered include:

- IRP/RP Services – Acting as Interim Resolution Professional (IRP) or Resolution Professional (RP) to oversee the resolution process.
- Corporate Resolution Process – Managing and facilitating the resolution process in compliance with regulatory requirements.
- Verification of Creditors' Claims – Assessing and verifying claims submitted by all creditors.
- Preparation of Information Memorandum (IM) – Compiling and structuring critical financial and operational data for investors.
- Data Room Creation & Management – Establishing a secure and well-organized virtual data room for due diligence.
- Drafting & Floating of Expression of Interest (EOI) – Preparing and circulating EOI to attract potential investors.
- Conducting Online Auction Events – Organizing transparent and competitive bidding processes.
- Technical & Financial Evaluation of Bids – Assessing bids based on predefined technical and financial criteria.
- Computation & Summary of IM – Consolidating bid evaluations into a comprehensive report.
- Transaction Advisory – Providing strategic advisory on mergers, acquisitions, and distressed asset transactions.
- Investor Selection Process – Identifying and shortlisting the most suitable investors for resolution.
- Liquidation & Voluntary Liquidation Assistance – Supporting the liquidation process, ensuring compliance with regulatory frameworks.

This comprehensive interim management approach ensures an efficient, transparent, and investor-friendly resolution process, maximizing value for stakeholders.

RESOLUTION STRATEGY

A well-structured resolution approach is implemented to maximize value and ensure the successful turnaround of stressed assets. Key steps include:

- Conducting Roadshows – Showcasing investment opportunities in leading financial markets to attract potential investors.
- Preparation of Information Memorandum (IM) – Reaching out to global investors, buyout funds, special situation funds, and stressed asset funds.
- Investor Engagement – Presenting the opportunity to multiple Prospective Resolution Applicants (PRAs) to enhance competition and maximize recovery.
- Shortlisting & Competitive Bidding – Identifying the most suitable PRAs for negotiations and facilitating a forward auction or Swiss Challenge process.
- Creation of a High-Quality Data Room – Ensuring structured and transparent data access for investors.
- Due Diligence & Negotiation Support – Organizing due diligence, assisting in negotiations with PRAs, and finalizing the most viable resolution applicant.

This comprehensive approach enhances stakeholder value, optimizes asset recovery, and ensures a seamless resolution process.
